On December 5, 2014, the National Bank of Cambodia (NBC) organized a meeting on the Surveys for Financial Stability's Purposes, which was presided over by H.E. Chea Serey, Director General of Central Banking of the National Bank of Cambodia. This meeting was attended by related parties, approximately 150 participants, including the representatives from the Ministry of Economy and Finance (MEF), Association of Banks in Cambodia (ABC), Cambodia Micro-finance Association (CMA), Cambodian Valuers and Estate Agents Association (CVEA), Credit Bureau Cambodia (CBC), banks, microfinance institutions, and real estate companies.

The objective of this meeting was to disseminate the importance of maintaining financial stability in order to contribute to the economic growth of the country and to obtain cooperation and support from stakeholders to the NBC so as to strengthen the analysis and monitoring of financial stability.

As a result, stakeholders welcomed the initiative and expressed their willingness to cooperate and provide related data and information as inputs into the analysis by the NBC's Financial Stability Team.
